REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The amended claims are deemed allowable since the prior art fails to teach a shingle having the midline groove of reduced thickness extending the length of the body to facilitate bending in combination with all the other limitations of claims 1 and 12. The prior art also fails to teach the reduced thickness portion containing corrugations in combination with all the other limitations of claim 13. The examiner is relying on the applicants' arguments on pages 10 and 11 in the response filed March 25, 2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Donald Loney whose telephone number is (571) 272-1493. The examiner can normally be reached on Mon, Tues, Thurs and Fri. 8AM-4PM, flex schedule.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571 272-1498. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
